

Junior Achievement is bringing *JA Inspire Hybrid* to your students! in 2023-2024

JA Inspire is Junior Achievement's career development program for 6th-12th grade students brought to life by our region's employers. Using top of the line virtual technology, *JA Inspire* features a one of a kind **Online & In-person** career expo filled with local business exhibits providing career information and an one of a kind platform. Available at **no cost** to schools, teachers, and especially students! *JA Inspire* is *adaptable* and has easy classroom implementation.

Hybrid Career Event Highlights

- 30-40 career exhibits sorted by career cluster
- Hands on experiential learning possibilities
- Valuable career information and on-the-job videos
- Gamification to increase student engagement & participation on the platform
- **AND coming in person in Spring 2024**

Program Highlights

- Online student self-guided or teacher-led pre-event curriculum
- Virtual student workbooks and educator guide
- Can request paper materials
- Extended student access - 6 months 24/7 access and/or till May 2024
